

23rd ADS-John R Turtle

DIABETES CLINICAL SKILLS TRAINING COURSE

for Advanced Trainees in Adult Endocrinology

The ADS John R Turtle Diabetes Clinical Skills Training Course is designed to be practical and interactive. It will be run by experienced diabetes clinicians from across Australia and will focus on everyday clinical skills required in the treatment of diabetes by endocrinology trainees. The course is supported by the Advanced Training Committee (ATC) in Endocrinology from the Royal Australasian College of Physicians (RACP).

SATURDAY 5TH JULY 2025
9:00am to 5:00pm (AEST)
ONLINE VIRTUAL EVENT

This course is open only for trainees currently enrolled in adult endocrinology and is a compulsory component of advanced training for trainees to attend at least one ADS JRT Course.

The course topics include Managing Lipids, Pregnancy and Type 1 Diabetes, Pregnancy and Type 2 Diabetes, Type 1 Diabetes Prediction and Prevention, Diabetes Technology, Exercise and Type 1 Diabetes.

Please contact Linda Valenzisi at the ADS Secretariat via email at: linda@diabetessociety.com.au if you have any enquiries regarding the course.

Registration for the course is \$132 (includes \$12 GST).
Registration closes on Friday 20th June, 2025.
